"My Name is Michael Sparrow, the owner of Sparrow's pizza. I am from Richmond and live not too far from the store. Our pizzas are made with whole milk mozzarella, the sauce is made from crushed tomatoes, high grade meats, fresh cut veggies, and the dough is made in the store daily with extra virgin olive oil. The pizza is placed directly on a flat stone inside a deck oven, just like they do in New York City. Try one.....I think you're going to taste the difference".
